

## AGAPE Health Care Agency, LLC

### Wellness Clinic at the Claremont Retirement Village

614.761.3666 / 614.588.0228

*"The Ultimate in Home Care"*

**Claremont Retirement Village has partnered with AGAPE Health Care Agency to provide in-house clinical services to our residents.**

**The AGAPE Clinic provides the following services:**

#### **Nursing Services**

Debbie DeLuca, RN, and Tammy Howard, RN provide will staff our clinic and provide blood pressure checks, blood sugar checks, minor dressing changes, blood oxygen checks and general assessments .

*Clinic Hours: Monday 10 am – 5 pm and Thursday 9:30 am – 1 pm*

#### **Physician Services**

Dr Gerald Lane, DO, is available at the clinic to provide medical examinations and consultations.

*Clinic Hours: Mondays 3 – 5 pm by appointment*

#### **Lab Services**

Blood draws and urinalysis will be picked up and results faxed to the AGAPE private fax line.

This service is available for on-site lab draws and collection of specimens for lab testing when needed.

#### **PT/OT/Speech Therapy**

Physical, Occupational and Speech therapy services are facilitated by AGAPE Health Care Agency, LLC as home health care services ordered by resident's physician.

#### **Dental Services**

Dental Hygiene on Site will provide mobile dental services, including X-rays, cleanings, examinations, extractions, restorative services and denture services. Call Clinic to schedule.

#### **Ophthalmology Services**

Columbus Ophthalmology will provide free glaucoma and visual acuity screenings quarterly. Call Clinic for next date.

#### **Audiology Services**

Free comprehensive hearing evaluations and hearing aid checks quarterly. Call Clinic for next date.

**Psychological Counseling**

Professional consultants will provide psychological counseling to any resident experiencing difficulty with transition and life changes.

***X-ray Services***

Service will come to the Claremont to x-ray any non-threatening, possible fractures and will assist in Pacemaker checks and EKG testing.

**Durable Medical Equipment**

Central Ohio Oxygen & Medical Equipment provide quarterly equipment checks on walkers and wheelchairs and will provide a specialist to fit any doctor orders for wheelchairs, walkers, oxygen and assistive devices as needed.

**Please feel free to contact Debbie or Tammy at the Wellness Clinic for any further information or appointments.**
